### **School Governors**

The School is governed by a voluntary body made up from members of the community, parents, representatives from the Local Authority and Staff from the School. A full and up to date list of governors is available on the School website along with meeting times and their individual responsibilities within the governing body.

### **Using the Community**

The School works in partnership with other educators in the Community, e.g. police, medical practitioners and St Johns Ambulance, and takes up all suitable packages offered. We aim to use the whole community to benefit our childrens' learning. This does of course, include parents and family members; if you think you may be able to help the children at school in their learning and development, please contact us!

### **Friends of Trowse School**

Parents play a significant part in school life and we have a 'Friends of Trowse School' group, who raise money for the benefit of the children. However, the Friends of Trowse School is about much more than just fundraising. It exists to provide closer links between home and school, and is an excellent way to bring staff, parents and friends together socially in support of the School, working towards a common goal.
